

## High-performing pharmacy is who we are

### Pharmacy consulting designed for optimal growth

No one makes pharmacy achieve high-performing results like Visante. Our work with health systems and hospitals combines our deep, contemporary expertise with personalized and comprehensive implementation support so you can optimize your pharmacy organization and deliver exceptional patient care and financial results.

Pharmacy is one of the most exciting opportunities for hospitals and health systems to expand and improve patient care and financial performance. We help our clients to optimize their 'business within a business' and the results are incredible. ”

James Jorgenson, CEO  
Visante

### Our experience

Our team of professionals brings deep, contemporary expertise and innovation to optimizing all aspects of a fully integrated health system pharmacy program, driving significant value quickly. We bring accountability and focus to quickly grow your ambulatory pharmacy services, positively impacting the bottom line while improving patient care. We help you achieve clinical and business successes for your organization.

### Our services

From focused engagements to complete pharmacy optimization strategies, we have the experience and expertise to support your objectives to provide better and more cost-effective patient care. We provide a wide range of consulting services, driving significant value quickly. By providing customized solutions to fit the needs of our clients, we deliver sustained financial results through revenue growth, cost savings, assured compliance and optimal business performance.

### Our people

At Visante, our people are what allow us to provide the most effective and knowledgeable support to your pharmacy organization. We've put together a dedicated team of effective leaders, innovative problem solvers and highly motivated individuals who are passionate about pharmacy transforming healthcare. We care immensely about the success of our clients because we know that high-performing pharmacy delivers maximum value, patient care and financial performance to the health system. We want to be your trusted partner.

### Reimagine Pharmacy with Visante

As part of your team, we will support you to achieve high-performing pharmacy, greatly impacting the clinical, patient care, safety, compliance and financial goals of your organization. Contact us today to get started!
